Dear Sir/Madam,

REQUEST FOR THE REFUND OF THE PAYMENT MADE FOR PREPAID METER

I **Mr. Lateef O. Salawudeen** remitted and completed a form at one of the Nepa office located at Iba- New site sometime in the year 2020 for the purchase of a prepaid meter for my resident located at the subject address reference herein.

Despite my follow-up with the Officer in charge, we are yet to receive the prepaid meter at my location. As a result of this, I was advised to visit your company.

I visited your company last week as advised, and I was informed that the officer didn't complete the required process, hence, why a meter was not allocated. Based on this, I was requested to make a written complaint and provide my account to enable reimbursement.

I will appreciate the receipt of the sum of N48,263.38 remitted into your company account – 0122933815 with Wema Bank on 08 October 2022 into my daughter's account given below, as I don't operate a bank account.

Bank: Access Bank; **Name:** Sammiat Temilade Salawudeen; **Account Number:** 0775924712

Attached to this mail is the teller slip used for processing the meter.

Yours faithfully,

Lateef O. Salawudeen.
